

# PRODUCT DATA SHEET

## BAGGES CSF-1

**Base:** Silica fabric

**Color and coating:** Tan

Minimum SiO<sub>2</sub> (silicone dioxide) content: 96%

Description	Values	Unit
Weight	610	g/m <sup>2</sup>
Thickness	0.8	mm
Temperatur resistance	+1700	°C
Short term temp.resistance	+1400	°C
Classification temperatur	+1000	°C
All values are nominal unless otherwise specified.		
The data mentioned in this data sheet is after our knowledge correct, but we reserve the right to make changes without notice.		

**Typical area shrinkage (%)**
