

# PRODUCT DATA SHEET

## BAGGES CSF-2

**Base:** Silica fabric

**Color and coating:** Tan

Minimum SiO<sub>2</sub> (silicone dioxide) content: 96%

Description	Values	Unit
Weight	1220	g/m <sup>2</sup>
Thickness	1,4	mm
Temperatur resistance	+1700	°C
Short term temp.resistance	+1400	°C
Classification temperatur	+1000	°C
All values are nominal unless otherwise specified.		
The data mentioned in this data sheet is after our knowledge correct, but we reserve the right to make changes without notice.		

Typical area shrinkage (%)
